Our ask is that each student signs up for a shift to help monitor rooms.

*If you are also auditioning, we will make sure you have plenty of time to work a room, take a break, warm up and perform.*

## Concert Band Placement Auditions

Make sure you find your name on the bulletin board for when and where you need to play your audition Thursday.

Results will be posted by the end of the day, Thursday. If you make Wind Ensemble, please pick up your folder from the **old office** and look through music before our first rehearsal.

## Fundraising

### Yellow Dog Coffee Fundraiser

Our Yellow Dog Coffee Fundraiser kicks off tomorrow! The fundraiser runs from Monday, October 28 through Monday, November 11, 2024. Coffee orders will be received before the

holidays, so they make great stocking stuffers and gifts! Students should take orders on the order form provided and collect all payment in advance. Order forms and payments should be returned to the band room on Tuesday, November 12, 2024. There are three different coffee options (light/ medium/ dark roast), and all coffee is \$20 per bag. Students will be credited \$10 per bag sold, which can be used for band fees, instrument fees or future band trips. See attached for more information! Questions? Contact Brooke Barnett (NHBA Fundraising Chair) at 405-401-0687 or [nhbamail@gmail.com](mailto:nhbamail@gmail.com).
