Fall 2025 Dates

See our calendar at nhsband.net/calendar to view the live google calendar. Dates for Fall 2025 are attached via PDF. You all know at this point how important it is to have 100% participation for rehearsals and performances for any band activity. If one misses, it affects the whole.

Jazz Concert | Monday, May 19

Pending good weather, our concert will begin at 7pm in the NHS Theatre. Please enter via the East Parking lot (near Taco Casa) and enter door 36.

Graduation Thursday, May 22

The NHS Band and Orchestra combine to play for graduation each year. Thursday May 22.

Entrance for band members is similar to normal year's All-City. The ramp access will be open at 6:00pm. We must be through security and **ready to play around 6:15pm**.

The ceremony starts at 7pm and just like a football game, I cannot tell you when it will end. I would like to imagine 9pm but that might not be accurate 😊

Dress for the band is Concert Black.

Summer Information

Please make sure lockers are cleaned out by **Tuesday afternoon**. Anything left behind will be cleared out by custodians.

School owned instruments need to be turned in by Tuesday morning unless being used for graduation, then turned in after graduation. We can work out checking instruments out over the summer on a case by case basis.

But, for real, take the summer to enjoy the BREAK.
